

## Fralin Free Clinic Donation Guidelines

The Fralin Free Clinic sincerely appreciates your generosity in considering our patients when choosing a place to donate items needed for medical care. Your support makes a significant impact on the lives of those we serve.

While we can accept most donated items, we want to ensure the safety and well-being of our patients. As we are regulated by the Board of Pharmacy, we cannot accept expired or prescription medications. Below is a list of items we cannot accept. If you have questions about an item not listed here, please do not hesitate to contact our clinic staff.

### **Items We Cannot Accept:**

- Anything prescribed by a medical provider
- Expired medications
- Open or unsealed over-the-counter medications
- Prescription medication
- Medications you are unsure how to dispose of
- Catheter supplies
- Tracheotomy supplies
- Oxygen tubing
- Oxygen tanks
- Tube feeding supplies
- Tube feeding cans of nutrition
- Hospital beds
- Expired items

### **Donations We Can Accept:**

If you would like to support us, we gratefully accept unopened, in-date over-the-counter medications, such as Ibuprofen, Tylenol, and Naproxen, which are in high demand.

We encourage donors to contact the clinic prior to donating to ensure your items meet our guidelines. Donations can be dropped off at our location:

321 Tazewell Ave SE, Roanoke, VA 24013.

If you have any questions about your supplies, please feel free to reach out to us at 540-777-7671.

Thank you once again for your generous donation and for supporting our mission to provide quality healthcare to those in need.
