

## GUEST SUCCESS: IT'S WHY WE'RE HERE.

At the Rescue Mission, our guests aren't just numbers — they're neighbors - and their success is our purpose. We're committed to providing resources and support, opening doors to real opportunity today and a better future tomorrow.

Guided by our mission of helping hurting people in Jesus' name, we measure success not in statistics, but in lives changed, hope restored, and conversations that guide us to serve better every day.

*Because helping hurting people in Jesus' name isn't just our mission statement — it's who we are.*
